

## How to access State Assessment Reports through MiLearn

When you are logged into Infinite Campus, look on the left navigation bar for "Custom Links and Reports". You will find it here:

Infinite Campus	
Instruction	Control Center
Control Center	No data to display.
Grade Book	
Planner	and a start and the second of a start of the second of the
Reports	
Custom Links and Reports	
Professional Development	

Once you click the "Custom Links and Reports" link, you should see a link titled "State Assessment Data Instruction".

After you click on this link, you will be taken to MiLearn:

MiLearn Educator User Guide available here.
