Calendar	Announcements Inbox	
Assignments	District Announcement Monday 08/29/2011	
Grades	How to contact the Technology Help Desk: When contacting the help desk please e-mail help@caisd.org preferably from the account that the school has on file for you. Please	
Grade Book Updates	also include a few items of information: • Your Name	
Attendance	 Student(s) name(s) For identification purposes: student's DOB, school building the student attends, home address 	
Schedule	 Primary phone number (please make sure these are numbers that the school has on file for you) 	
Fees	Please note that when you e-mail this account you will get an automated e-mail back that the request was received. This does not mean the issue has been resolved. It may take a few days before we are able to process your request depending on our corrent work load. If you would like an update on the ticket please reply to one of the Web Help Deview-mails instead of sending a new remail as	
Reports	toat. If you would like an update on the ticket please reply to one of the web Help Desk e-mails instead of sending a new email as that creates a duplicate ticket.	
More		

Once you click the "More" link, you should see a link titled "State Assessment Data".
